Medicare Recipients Being Misled By Some Insurance Companies

Some private insurance companies have been sending misleading advertisements to Medicare beneficiaries in the Lake

County area according to John F. Wysocki, social security district manager in an effort to sell them health insurance to supplement their Medicare protection.

Parents Visit Classes

Grass Lake School opened its doors to parents on Oct. 27 and 28 in observance of American Education Week.

During the week a total of 53 parents visited the classrooms and toured the building. Superintendent William Hart said the interest shown by the parents in attendance was very good.

In speaking with parents many interesting ideas and suggestions were made, which will help establish lines of communication between the home and school.

Driving Course Is Set

On Tuesday, Nov. 10, Antioch Area Chapter, No. 387 will hold classes starting at 9:00 a.m., in the Community Room of the Antioch Savings & Loan building for the 40 persons who have signed up to take the courses in "Defensive Driving" that is being sponsored by the Local Chapter of AARP.

The courses cover eight lessons in defensive driving holding two classes a week on Tuesday mornings, taking four weeks to complete the courses. Cost of taking the courses is \$1.00 for AARP members and \$4.00 for non-members.

In the afternoon of Nov. 10 the AARP Chapter will have a short program in the interest of Veterans Day and a speaker from Great Lakes will be on hand with the program opened with invocation by the Rev. Philip O. Laurin and closing with benediction by the Rev. Donald M. Cobb.

Other business taken up will be the trip by bus to Horicon, Wis., dated for Tuesday, Nov. 17, with bus leaving from the Savings and Loan building at 8:30 a.m. and returning at 6:00 p.m.

County area according to John F. Wysocki, social security district manager in an effort to sell them health insurance to supplement their Medicare protection.

Wysocki said that the promotional literature distributed by these companies has been designed to give the reader the impression that the company is in some way connected with the Social Security Administration, or that it has access to the Federal agency's records.

One company used a window envelope that was almost identical to the envelopes social security uses to send out benefit checks, Wysocki remarked. He went on to say that only careful reading of the fine print in the advertisement revealed the statement that the company was "not an agency of the State or Federal government."

Wysocki stressed that the So-

cial Security Administration does not endorse any privately-sponsored insurance plan designed to "supplement" Medicare benefits. He also emphasized that private insurance companies do not have access to social security records, which are confidential by law.

Wysocki indicated that most private insurance programs supplementing Medicare offer valuable additional protection and advertise honestly in their sales literature. "However," Wysocki said, "a few companies have engaged in practices which clearly are intended to mislead Medicare beneficiaries."

Wysocki advised persons who are confused by material they get in the mail offering additional Medicare protection to get in touch with their nearest social security office, or their State Insurance Commission for further information.

'Yum Yum' To Open Tuesday

'Under The Yum Yum Tree' will open at the Antioch Country Club new theatre playhouse on Tuesday, Nov. 10 for an extended run, under the direction of one of Broadway's favorite sons, J. J. Butler, Jr., as producer and director of the completely remodeled theatre promises an exciting new season of top hit shows.

The full season schedule will be announced as soon as final casting is completed. 'Yum Yum Tree' will be presented Tuesday through Saturday at 8:30 p.m. with a special matinee on Wednesday at 2:30.

Ticket prices are \$3.00 during the week and \$3.50 on Saturday. Rates are available upon request for private groups, organizations and parties.

The Antioch Country Club and steak house is located at Route 59 and Grass Lake Road in Antioch, Illinois, and promises an exciting new addition to the already renowned big band room and restaurant.

Reservations for dinner and/or show are suggested. Phone (312) 395-3000 and ask for the box office.

Mail orders will also be accepted.

AMP Sets Meeting Nov. 10

The Lake-McHenry district of Associated Milk Producers, Inc. (AMPI) will hold its annual meeting Tuesday evening, Nov. 10, in the V.F.W. Hall at Woodstock. Principal speaker will be Lyman McKee, Madison, Wis. McKee is Wisconsin division manager for the Tri-State Region of AMPI.

This was announced by Charles P. Weingart, McHenry district president, and Mrs. Ferol M. Tomlinson, also of McHenry, secretary.

3 Students Win State Scholarships

The Illinois State Scholarship Commission has named Jean Forster and Mary Alice Molgard, of Antioch, as State Scholars in the 1971-72 competitive scholarship exam.

Monetary awards may be granted to these students for use toward tuition and fees at any public or private college in the state of Illinois.

Also named was James A. Miller, of Rte. 2, Box 488, Kenosha.

A temporary freeze on building permits in Antioch's northern village limits was lifted Monday night.

The Village Board rescinded its ban of more than a month ago, but voted to delay issuance of occupancy permits in the same neighborhood until sewer repairs are completed on Garys Drive.

The Board's order of Sept. 21 affected such subdivisions as the Oakwood Knolls and Village Green and took in the area north of Greenwood Avenue.

Board action was taken after it received a report from the National Power Rodding Corp. which uncovered the sewer damage by a television camera.

"I believe we should allow building permits, but delay the occupancy permits," said Village Mayor Raymond Toft. The proposal was approved unanimously.

The 24-page report given the board on the condition of the sewers in the northern section was accompanied by 105 pictures taken by the underground camera.

Public Works Supt. Charles Mapletorpe assured the trustees that he'll be able to start next week to correct Gary Drive, the south end of which is in dire need of repairs, Mapletorpe reported.

"I think we can get the work done before the end of the fall season and the development of deep frost," Mapletorpe said.

The board also ordered payment of \$5,217.55 to National Power Rodding Corp. of Chicago for the television inspection of

the sewer network and for cleaning some of the sewers.

Trustee Vern Barnstable proposed that the village purchase a new tractor and back hoe and trade in two tractors at a cost of \$5,900 without advertising for bids. His proposal died for lack of a second.

Trustee J. Irving Walsh motioned that the village purchase a used tractor at a cost of \$3,850 from a Trevor, Wis., contractor. Walsh added that the other two tractors now owned by the village could be sold for about \$2,500 which would mean the village would be spending about \$1,350 for a piece of equipment that is only four years old.

His proposal received 5 yes votes, and one opposing vote cast by Barnstable.

The proposal, although it received a majority of the six man board, failed because it required a unanimous vote since bids were not advertised.

"It looks like Mapletorpe will have to hire someone to do his digging," Mayor Toft said.

"If the proposal was presented in the right way, there would not be a problem," said Barnstable whose vote nullified the possibility of buying the used tractor.

Trustees ordered letters sent out to the Village Engineer Frank Angello and Robinson and Brock Construction Co. of Gurnee about scraping off the dirt from the surface of Drom Court.

Barnstable said the dirt should be scraped off and that the layer of dirt now on Drom Court caused the street to be slick.

The trustees said they'll use held back funds from the project to hire another firm to scrape off the surface dust if the firm of Robinson and Brock fails to comply within a five day period after receipt of the letter.

The trustees also held up paying Angello \$1,845.50 for engineering fees in connection with the project.

John Horan of the Antioch Chapter of the American Association of Retired Persons said officials of the Department of Housing and Urban Development have notified him that there are no funds left in the current fiscal year budget to finance a low cost housing development for the senior citizens in Antioch.

Horan said Cong. Robert McClory, R-Lake Bluff, promised to do everything possible to enable Antioch to obtain funds for such a housing development.

"The reject is not 'dead,'" said Horan. "It is just financially sick."

HUD officials, according to Horan, said they would give the Antioch project serious consideration.

"We'll keep pitching on the program," added Horan.

Mayor Toft praised Horan for his report on the progress of the program.

A petition by Homer La Plant to annex a 10-foot strip into the village limits passed by the Village Board, but Village Attorney Edward Jacobs reported that the petition must first be presented

Stern Whips GOP

Democrat Grace Mary Stern of Highland Park Tuesday became the fourth Democrat since the Civil War to hold a county office in Lake County.

Mrs. Stern ousted incumbent county clerk Truman G. Gerretsen by a vote of 46,939 to 46,035.

Mrs. Stern is the wife of the Lake County Democratic Chairman Herbert L. Stern and an Assistant Supervisor from Deerfield Township.

She never trailed in her race against Gerretsen although her lead at one point was only 77 votes.

She was the only Democrat to win in the county races although several showed surprising strength.

Lake County Coroner Orville S. Clavey is the new sheriff, defeating his opponent Marion G. Faber by a vote of 54,116 to 38,868.

Republican Robert G. Skidmore will be the next County Treasurer after defeating his Democratic opponent Ray Biondi by a vote of 49,932 to 41,197.

Congressman Robert McClory maintained his seat from the Twelfth District, swamping his opponent James J. Cone by some

Thanksgiving Spirit

The Spirit of Thanksgiving encompasses many principles and ideals which deserve daily as well as annual tribute. Certainly, Thanksgiving Day is a meaningful and cherished holiday, and it is right that we have set aside a special occasion to count our blessings and good fortune. In so doing, let us be continually grateful that we live in a land where people can still laugh, dream, hope, and speak their minds and worship as they please.

Our Founding Fathers had great vision. They saw for the future of our country a promise of hope, right, justice, freedom, and equality for men and women who braved the dangers to enjoy these blessings from God. And all but the most cynical would have to admit that our Nation has made extraordinary progress in striving for these goals. No other country has ever done more to promote the spiritual and material needs of its citizens.

A noted American author and editor once stated, "There never was a land that better deserved the love of her people than America, for there never was a mother-country kinder to her children. She has given to them all that she could give. . . Millions upon millions of men have lived here with more comfort, with less fear, than any such numbers elsewhere in any age have lived. Countless multitudes, whose forefathers from the beginning of human life on earth have spent weary lives in unrewarded toil, in anxiety, in helplessness, in ignorance, have risen here, in the course of even a single generation, to the full and secure enjoyment of the fruits of their labor, to confident hope, to intelligent possession of their own faculties. Is not the land to be dearly loved in which this is possible, in which this has been achieved?" Truly, this American was imbued with the spirit of Thanksgiving.

Our Nation does possess a heritage which is unique in the history of man. But today this heritage with its religious ideals and moral principles means practically nothing to many Americans. They do not seem to recognize nor appreciate the rewards of self-government. To them, duty, individual responsibility, enterprise, self-respect, and obedience of the law are tenets of oppression. They demand and expect "the good life," but without personal sacrifice or effort. The true meaning of Thanksgiving, as experienced in the humble and devout tribute by the early settlers, is lost on them.

Let us earnestly join in the observance of Thanksgiving. But let the spirit of Thanksgiving not be a scheduled sentiment which we turn on once a year. Rather, let it be an abiding testimony, a recognizable symbol of our daily faith—our faith in ourselves, our faith in our country, and our faith in God.

Village Fathers . . .

to the Fire District before coming to the board for approval.

The petition passed the board 6-2 with Mayor Toft casting the deciding vote since an annexation petition required a majority vote of the board.

Opposing the petition were Trustees Richard H. Radke and Robert C. Wilton.

Joining in support of it beside the mayor were Barnstable, George Bartlett, Walsh and Richard O. Burnette.

The Oakwood Knoll Property Association complained to Trustees that something should be done about traffic entering Antioch from the north.

The association said many motorists were ignoring the stop sign at Rte. 83 and State Line Road (North Avenue).

Village Clerk Marilyn Sterbenz said she had written to the state about the possibility of installing a red flashing light at the intersection to slow down traffic.

The board authorized the purchase of seven rain suits for street department workers.

In October, 99 parking tickets were issued, and 63 drivers cited for traffic violations.

Seven persons were given non-traffic tickets.

The police investigated 17 accidents, 14 thefts and break ins, five cases of vandalism and handled 15 juvenile cases.

The police, fire department and rescue squad were praised by the Antioch High School Board for their assistance during the recent teachers strike in handling traffic, patrolling the school area and inspecting the buildings during the bomb scare.

Trustees were invited to attend the Nov. 12 meeting of the Lake County Municipal League in Mundelein. Mayor Robert Sabonjian of Waukegan will be the speaker.

Men May Not
Equal Women
As Drivers

Another claim to male superiority is on shaky ground.

Results of a nationwide test show that men may not be better drivers than women after all.

In fact the study showed girls reacted slightly better in four simulated traffic emergencies than their male counterparts.

The teenagers, members of driver education classes using the Aetna Life & Casualty Drivotrainer system, had to cope with an impending head-on collision, a near sideswipe, brake failure and a tire blowout.

Students using the Drivotrainer system sit in small model cars fully equipped like real automobiles. The "drivers" respond to changing traffic conditions seen in full-color, sound films.

Shown the Aetna Drivotrainer's emergency driving film for the first time, the girls grappled with the crises better than the boys in two out of four situations and tied them in a third.

The percentages of correct responses were:

Tire blowout—girls, 26%; boys 19%. Sideswipe—girls, 17%; boys, 11%. Head-on—girls, 26%; boys, 27%. Brake failure—girls, 57%; boys, 66%.

Although the girls did somewhat better than the boys, neither group scored highly. Overall, more than two out of three reacted incorrectly in the four emergencies.

The Aetna Drivotrainer system, pioneered by Aetna Life & Casualty 17 years ago as the first classroom driving simulator, has been installed in almost 800 high schools throughout the country and is used by numerous government and military bodies.

FROM THE
STATEHOUSE

By
LT. GOV. PAUL SIMON

Some Thoughts on Highway Safety

Not until you are in an accident do you fully appreciate the coordinated efforts of many people in keeping our highways safe.

Recently our car was stopped at a major intersection when a gentleman who did not see the stop sign ran into the back end of the car, causing \$1,884 worth of body damage to our car, plus whatever motor and transmission difficulties we may have.

Very quickly two cars from the O'Fallon Police Department were present to direct traffic and assist. Then two state police cars came, as well as the O'Fallon Fire Department to wash the gasoline off the highway.

The work of these men is appreciated at all times, but particularly so at the time of an accident. There are others who deserve thanks also, people we do not thank sometimes:

- The radio dispatcher with the state and local police who sees that help is there quickly following an accident.
- People who stop to offer assistance.
- Secretary of State Paul Powell and his employees, who keep some of the more dangerous drivers off the road. The accident rate would be even higher if we did not have their services. Leaders of both political parties agree that he and his office have done an outstanding job.
- Highway maintenance people who keep highways well-marked with stripes and stop signs, and keep obstacles off the road.

That does not mean that improvements are not in order.

The man who hit us with his car apparently did not have insurance. My strong belief is that no one should be permitted to drive on Illinois highways without proof of having liability insurance. Demanding this would eliminate some of the most dangerous drivers from the road.

I also believe that the "Do Not Pass" signs which are now on the right hand side of the road should be shifted to the left side, as they are in Iowa and some other states, so that when a car is passing another one or a truck, the no passing sign is not blocked from vision. This has been done on only a few miles of particularly dangerous roads in our state.

Obviously other things are needed to reduce the slaughter on the highways. We can thank those who already are doing much, and yet strive for even more.

'Three Angels' Opens Saturday

'My Three Angels,' a rollicking comedy about a trio of convicts in a French penal colony who earn themselves halos to wear with their stripes, will open this Saturday night, November 7 at the PM&L Theatre, Antioch and will run two more weekends, November 13, 14, 20, and 21. Curtain time is 8:30 p.m. Dr. Al Bucar, Duane Wolfe, and Ron Koules will portray the three engaging rogues who intrigue to set a naughty world to rights.

Join PM&L on opening night for no other night will be quite so charged with excitement. Enjoy refreshments, conversation with the cast after the show, and examine the new improvements in the theatre. PM&L members have been working by the hour the last few weeks polishing the play and remodeling for the enjoyment of the 'live theatre' goers in the Antioch area.

Season tickets are still available. Be sure to call 395-9702 to order or to reserve tickets for a particular night.

Ron Koules of Round Lake Beach, as Alfred, is also one of the "Angels."

Duane Wolfe, from Zion, as Jules, and Dr. Al Bucar, from Antioch as Joseph, are two of the cast of "My Three Angels" to be presented by the PM&L.

Another close race was for State Senator from the 31st District in which Antioch is a part with Republican Robert Coulson narrowly beating Jeffrey Roger Diver by a vote of 25,555 to 23,003.

The State Representatives in the 31st District were unopposed and all were returned to office. They include Antioch's W. J. Murphy, John H. Conolly and John S. Matijevich.

Judges Lloyd Van Deusen and Harry D. Strouse, Jr., were successful in their bids for the Circuit Court Judgeships. They will be joined on the bench by Fred H. Geiger and John J. Kaufman, successful candidates for Associate Court Judges.

All three Republican candidates on the state level won in Lake County but were defeated statewide. U. S. Senator Ralph T. Smith only carried the county by some 550 votes.

It will probably not be known for several days if the three statewide referendums on Anti-pollution, Banking and Personal Property Tax passed.

The total vote in the county was 99,873 out of a registered 120,000.

How natural gas research set a new world land speed record and opened a world of new advantages for you:

History was made recently at Utah's Bonneville Salt Flats. The scientifically-designed Blue Flame rocketed to a new world land speed record of 622.407 m.p.h.! The fuel—liquefied natural gas. The same natural gas energy that warms your home and cooks your food!

Northern Illinois Gas Company was deeply involved in the development of The Blue Flame. Not just to set a new world speed record, but to bring you a world of new advantages from natural gas energy.

Before long, whole fleets of cars, buses, trucks... and even supersonic jet planes may be powered by natural gas energy. Because natural gas energy is almost pure energy, exhaust pollutants from these vehicles may be reduced 50% to 90%.

And that's not all.

Like the modern gas appliances you have today, the engines of these vehicles would be simpler, with fewer parts to wear out. And, like all gas appliances, operating costs may be lower (liquefied natural gas may cost less and give better mileage than gasoline), so you'll probably pay less to come and go, or to ship and receive.

These are only a few of the exciting possibilities opened up by The Blue Flame Project. And The Blue Flame is only one of many research projects in which Northern Illinois Gas Company is now participating.

There's a lot more coming from natural gas energy. And we're going to help bring it to you.

American Legion Auxiliary News

By DEL JARNEKE
There will be a joint child welfare meeting of the 10th District American Legion and the Auxiliary, on Sunday, Nov. 8th, at 2:00 p.m., at the Sharvin American Legion Home in North Chicago. District child welfare co-chairmen, John Jones and Mrs. William Schultz, both of North Chicago, urge all post commanders, unit presidents and their respective child welfare chairmen, to attend this meeting.

On the agenda, will be plans for the forthcoming "Christmas Caravan" of gifts to be given to the children of the Arden Shore Home, Allendale School for Boys and the Lake Villa Central Baptist Children's Home. Tentative preparations will also be made regarding the yearly picnic for these same children, which will be held in May, and for the annual "Pilgrimage to Normal" on June 13th.

Mrs. John W. Horan is the Antioch Unit President and Mrs. William Dowden is their unit child welfare chairman.

Some fifty Juniors and junior activities chairmen were in attendance at the 10th District "Juniors" Halloween party meeting, held at the Antioch American Legion Home, Oct. 23rd. Due to the absence of Jeanne Walston, Lake Zurich, District Junior

President, Judi Rizzo, Lake Zurich, conducted the meeting. Their bake sale, held the previous week, was a pronounced success. Mrs. Ray Rathmann, Antioch, District Junior Activities Chairman, reported that there were Juniors present from Lake Zurich, Libertyville, North Chicago, Round Lake, Waukegan and Antioch.

Representing the Antioch American Legion Auxiliary, were junior activities chairman, Mrs. Bernard DeVries, Mrs. Lester Zitkus, Mrs. Sam Ries, Mrs. Rathmann and Mrs. Bernard Stadick, and their daughters, who are all junior members.

The Tenth District American Legion Auxiliary will hold their regular meeting on Thursday, Nov. 19th, at 8:00 p.m., at the Lake Zurich American Legion Home. Mrs. Robert Broege, Deerfield, District President, will be the presiding officer.

Among the business to be transacted will be the year's budget. Finance Chairman, Mrs. William Franzén, Vernon Unit, will present the budget for the members to vote on.

District officers and chairmen are requested to send reports of their year's programs and responsibilities to Bulletin Chairman, Mrs. Ray Suzzi, Highwood, as soon as possible. District chairmen from the Antioch Unit are Mrs. Ray Rathmann and Mrs. Edward Jarneke, District Communications and Publicity Chairmen.

All unit presidents are asked to notify their delegates, alternates and members concerning this meeting.

Lois Herman Symposium Participant

Lois M. Herman, daughter of Mr. and Mrs. James Herman, 451 Orchard St., Antioch, participated in a College-Business Symposium held recently in Wausau. Miss Herman is a senior majoring in Business Administration.

The symposium, sponsored by the Wisconsin State Chamber of Commerce, was held to acquaint students with the world of business and to give businessmen an opportunity to meet the students and hear what they think about private enterprise in America today.

Students from 22 campuses, including all state universities, the University of Wisconsin at Madison, and some private schools attended the lectures.

Turkey Dinner

The W.S.C.S. annual turkey dinner and bazaar will be held on Saturday, Nov. 7 at the Salem United Methodist Church, Salem, Wis. from 4:30 to 7:30 p.m.

Mr. and Mrs. Francis Kranc will celebrate their Golden Wedding Anniversary on Nov. 8 at Lorenz Sport Country House. The couple was married in Poland and came to the United States in 1920. They lived in the Antioch area for the past 23 years moving here from Chicago's northwest side. They were in the food business for 39 years. The couple has three boys and one daughter and 14 grandchildren.

Where The Boys Are

Jordan

Airman Jon M. Jordan of Antioch, has completed basic training at Lackland AFB, Tex. He has been assigned to Port Huemue, Calif., for training in the civil engineering mechanical and electrical field.

Airman Jordan is a 1968 graduate of Austin High School in Chicago. His wife is the former Connie Jenkins, Rt. 2, Antioch.

Navy Petty Officer Third Class George H. Ackerman, son of Mr. and Mrs. George F. Ackerman of Route 4, Antioch, participated in the North Atlantic Treaty Organization exercise "Deep Express" aboard the destroyer USS Mullinix in the Mediterranean Sea.

The ship provided anti-submarine, air defense and off shore support to land based troops in the exercise area.

"Deep Express" involved eight NATO forces and was the 13th training operation in a series for 1970.

Army Specialist Four Larry A. Smith, son of Harry J. Smith, Route 3, Antioch, Ill., was among the 11,000 troops of the 1st Infantry Division, who left Ft. Riley, Kan., Oct. 4-10, to be airlifted to Germany to participate in Exercise Reforger II.

The Big Red One soldiers departed from Forbes Air Force base in Topeka, Kan., and landed at one of three West German Air-

fields, Rhein Main, Ramstein, or Echterdingen.

A few hours later, the troops picked up weapons, tanks and armored personnel carriers, which had been pre-positioned in Europe, and departed to the exercise site near the Czechoslovakian border.

During the five-day training exercise, the division opposed aggressor forces from the 3rd Infantry Division regularly stationed in Germany, and the German 35th Panzer Grenadier brigade.

Reforger II was designed to test U. S. Army Deployment from stateside bases in defending Western Europe with NATO forces. A similar exercise, Reforger I, was held in Germany in January 1969.

Members of the 1st Division are scheduled to return to Ft. Riley in November.

Spec. 4 Smith is a member of Company C, 2nd Battalion of the Division's 10th Infantry.

Navy Petty Officer First Class John E. Black, husband of the former Miss Susan L. Strang, of 1090 S. Main, Antioch, is serving on the staff of Rear Admiral Damon Cooper, Carrier Division Nine, now enroute to the Western Pacific.

The staff of 33 officers and 46 enlisted men left the Naval Air Station Alameda, Calif., aboard the attack aircraft carrier USS Ranger on Oct. 27, 1970. The aircraft carrier will serve as a task group flagship with Task Force 77.

Legal Secretaries Will Hold Meeting

Lake County Legal Secretaries Association will hold its combined meeting Nov. 12 at the County Administration Building, Tenth Floor, Waukegan, commencing at 7:30 p.m.

After the meeting members and guest will be served cocktails and hors d'oeuvres following a tour of the Pioneer National Title Insurance Company. Host-speaker for the evening will be John Leonard, associate counsel of Pioneer.

Altar and Rosary News

The Day of Recollection the Prince of Peace Altar and Rosary was sponsoring has been postponed due to scheduling problems. A future date will be discussed at the Nov. 4th meeting. Ladies are reminded to bring pinkish scissors and a small paint brush. Christening bibs are to be made. There will also be a silent auction. Ladies are asked to bring any item in good condition for the sale. If this is your birthday month, be sure and bring a cake.

Adult Education

The Rev. John Glaser, S. J., professor at St. Mary of the Lake Seminary, will present a series of four lectures on "The New Morality" at Holy Child H. S., Waukegan. These lectures will be held Oct. 30, Nov. 6, 13 and 20. The time 7:30 p.m.

Father Wojcik was in the Church Hall Tuesday evening, Oct. 27, with his pitch pipe, music and a couple of seminarians to begin a new season of work with the Prince of Peace parish choir. He is very enthusiastic about working with the group and is looking forward to teaching new songs to the choir for sharing with the parish. Practices will be held on Tuesday evenings starting Oct. 27 at 7:30 p.m.

Baptized

Dyan Kate Gillesen, daughter of Donald and Donna Gillesen, 3520 E. Grand Avenue, Lake Villa, (Camp Ravenswood) was christened at Prince of Peace Church Oct. 18. Mr. Gillesen's sister and her husband, Mr. and Mrs. Robert Yanda of Mundelein, were the Godparents. They also have another daughter, Dolores Ann, five years old, Dyan was born June 13.

Silver Anniversary

Mr. and Mrs. Ed (Marcel) Rosol, 1506 S. Fairfield Road, Lake Villa, celebrated their 25th wedding anniversary Nov. 3 by a mass said at Prince of Peace Church, Saturday Oct. 31 at 11 a.m. Their daughter, Rita played and sang. They had open house immediately following for friends and relatives.

Mr. and Mrs. George and Alice Bartoszek of Chicago, were their best man and bridesmaid when they were married at St. Procopius Church in Chicago twenty five years ago.

The Rosols have eight children, Phillip, Mrs. Virginia Jackson of Largo, Fla. (she wasn't able to be here), Rita, Cathy, Teresa, Larry, John and Annette.

May we offer our congratulations to a lovely family.

Our son Bill, and his wife, Anne and our grand-daughter, Lauren Ann, treated us to dinner at the Swedish Manor in Waukegan last Sunday on the occasion of our thirty-seventh wedding anniversary.

Attends Seminar

Manfred Thomley, 2200 E. Rolling Ridge Ln., Lindenhurst, a practicing accountant, attended the Independent Accountants' Association of Illinois 21st Annual Tax Seminar at the Pick-Congress Hotel in Chicago on Oct. 22-24.

Edwin P. Trainor, Chicago District Director, was the guest speaker at the luncheon on Thursday. Howard A. Rumpf, distinguished Tax Consultant and author, covered all phases of the 1969 Tax Reform Act. Incorporations and State Taxes were covered by the eminent Aaron Cohen and Barry E. Smer.

Mr. Trainor, his assistant Directors Robert Bush, Roger Plate and Robert Weber were the honored guests at the Banquet held in the Great Hall of the Pick-Congress Hotel.

Feiffer's People Nov. 6-7

Feiffer's People, the delightful satirical romp which holds nothing sacred, will crash onto the Antioch Community High School stage this Friday and Saturday, November 6 and 7, at 8 p.m.

Based on the writings of Jules Feiffer, the show is a fast-paced series of sketches and blackouts which allow the thirty young actors' full display of their comic talents.

Many young people well known to Antioch audiences through previous performances hold leading roles in Feiffer's People: Bryan Sorenson, Dean Homan, Elda Minger, Mike Ament, Phil Miller, Mary Weiczorek, among many others.

Also featured will be premier Antioch performances by an exceptionally fine young organist, Phil Martinez, and the voices and guitars of three young folk musicians, Terry Curtis, Shelley Grunewald and Kim Shillinger.

Friday and Saturday evenings at Antioch Community High School promise to be among the most entertaining of theatre evenings.

Be among those who can say, "Yes, I've seen Feiffer's People—they're great!!"

Arlene Helen Wegner

Engagement Announced

Mr. and Mrs. Arthur P. Wegner, 560 Garys Drive, Antioch, wish to announce the engagement of their daughter, Arlene Helen, to William Richard Eckert, son of Mr. and Mrs. Richard D. Eckert of 1014 Victoria Street, Antioch.

Arlene is a 1968 graduate of Antioch High School, attended Wisconsin University at Whitewater and is a graduate of Lake County School of Practical Nursing. She is employed as a nurse at Victory Memorial Hospital, Waukegan.

Bill, member of the Antioch Volunteer Fire Department and the Antioch Fire Department Underwater Recovery Team is also an Antioch High graduate. He is employed at Commonwealth Edison Company.

A May wedding is being planned.

CHRISTIAN SCIENCE CHURCHES

Spiritual discernment is needed to understand man's essential nature, according to the Lesson-Sermon to be read at Christian Science churches Sunday.

"As mortals begin to understand Spirit, they give up the belief that there is any true existence apart from God," a passage to be read from "Science and Health" with Key to the Scriptures by Mary Baker Eddy states.

One of the Scriptural citations in the Lesson-Sermon "Adam and Fallen Man" is from Genesis, "God created man in his own image, in the image of God created he him; male and female created he them."

Services to which all are invited will be held at 11:00 a.m., at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch.

better off. Thanks to Peter Maurin.

Hospital Patients

Mrs. Mary Tracy has been a patient at Victory Memorial Hospital for over three weeks and expects to be there another week. She had pneumonia and complications. We wish you a speedy recovery.

Mrs. Helen Guzski was scheduled to go to Great Lakes for surgery Wednesday. A card will help her to feel better, too.

Co-Op Club Meeting Set

CO-OP ARTS AND CRAFTS CLUB will hold its regular monthly meeting in Pioneer Hall, 2424 Washington Street, Waukegan, (in the basement of the CO-OP Food Center) on Wednesday, Nov. 18th, at 7:00 p.m.

Mrs. Dolores Heard, owner of the "Creative Urge", Shop in Libertyville will present a program on "Quick Tricks for Christmas". She will demonstrate the making of some articles and display others.

The public is invited to attend. The project for the evening will be a wall or door hanging. Each one should bring scissors, glue, newspapers, waxed paper, needle and green thread. A kit of materials will be on hand to purchase at \$1.25. Please call Nina Wilson at ON 2-5594 or Beverly Millard at MA 3-3292 at once to reserve a kit.

Nurses' Group Will Meet On November 9

The 16th District of the Illinois Nurses' Association will present a panel discussion on drug abuse Nov. 9 at 8 p.m. at the Great Lakes Naval Hospital.

The theme of the discussion will be how medically oriented people can help meet the needs of those individuals who abuse drugs. Panel members are Mr. Mickey Finn of the YMCA's National Center for Youth Outreach Workers; George Czapewsky, M. D., of Zion; Mr. John Muse and an associate of Gateway House in Lake Villa; and Rev. Eugene Winkler of the Faith Methodist Church in Waukegan.

A short business meeting will precede the panel discussion at 7:30 p.m. All registered nurses in the community are invited to attend.

Descendents Of Alden To Celebrate

To most Americans it's only turkey eating time, but it is our 350th anniversary. We are the direct descendants of John and Priscilla Alden.

To celebrate this occasion, we are getting together (in provided costume) on Saturday, Nov. 21, 1970. The place will be the Swedish Glee Club, 721 Belvidere Road, Waukegan, Illinois.

Sponsor of this event is the Midwest Chapter of the Alden Kindred of America.

Come and sip the cup with us at six or partake of the smorgasbord at seven.

Members and friends are invited to make their reservations by calling, Mrs. Elmarie Alden Beno at 223-4380.

Carmel High Club Sets Potluck Fare

Carmel High Mothers' and Fathers' Clubs will hold a potluck supper on Tuesday, Nov. 10, at 6:30 p.m. in the school cafeteria. Mrs. Richard Jeffery and Mrs. James Weber, refreshment chairmen, have made the necessary arrangements.

Mrs. David Buck, special events chairman, has planned an "auction" to be held immediately following the supper.

All moms' and dads are invited.

Homemakers Will Display Creations

"Come into our Kitchen" and sample many delectable items that are Lake County Homemakers favorites. This is the invitation of the Fireside Unit, whose booth is one of 23 that will be featured at the Homemaking Arts Show to be held Wednesday, Nov. 4, from 10:00 a.m. until 9:00 p.m. at the Fairgrounds Auditorium, Grayslake. The annual educational show, sponsored by the Lake County Homemakers' Extension Association will carry out the theme "Crafty Creations" chosen by chairman, Mrs. Charles Wray and her committee.

Throughout the day, homemakers will give instruction in ceramics, macramé, candlemaking, Christmas items, fall arrangements, children's clothing and gifts, and many yeast products and cakes, cookies and sweets. These products as well as lesson sheets and a cookbook compiled by Fireside Unit will be available.

There will be an admission charge of 50 cents for adults, 25 cents for students. Prizes consisting of items from the booths will be given each hour and lunch will be available.

Legal Secretaries Attend Convention

Six members of the Lake County Legal Secretaries Association were among the 191 who attended the NALS Board Meeting and 9th Annual Presidents' Round Table at the Palmer House, Chicago, held Oct. 23-25, 1970. They were Mrs. Sid Gamble, president of the local chapter, Mrs. Dan O'Gallagher, both of Libertyville; and Miss Kathleen Tapio, NALS representative, Miss Mary Ann Hartwick, Miss Sue Millmore and Mrs. Dalton Steinburg, all of Waukegan.

NALS (National Association of Legal Secretaries) is a nonpartisan, non-union, nonpolitical and nonsectarian group of nearly 15,000 members from throughout the United States and several foreign countries. Its purpose is to unite all persons engaged in work of a legal nature and encourage their continuing education. Its chief objective is to provide service to attorneys, the courts, the general public, and to the legal secretaries.

Township Officials Will Meet

The sixty-first annual convention of the Township Officials of Illinois will convene in Peoria, at the Hotel Pere Marquette, on Nov. 8 through 11, with the indication that several interesting resolutions will be forthcoming in relation to the new Illinois constitution and to projected legislation affecting township government.

"We anticipate a different atmosphere in our convention this year," said Troy A. Kost, executive secretary. "Normally we hold our convention just before election time, but this year we will be in session one week after election. Consequently, we will be looking seriously at determining trends and examining and discussing the realities of the political climate rather than the anticipations."

Kost observed that groundwork has been laid which will "probably cause more changes within local government." He referred to the new constitution, the special session of the legislature, and what is expected to be a lively session of the Illinois General Assembly during the first six months of 1971.

When asked whether the Illinois Township Officials association would take a stand on the new constitution, Kost said, "You can certainly expect some penetrating discussions and very likely a resolution regarding it. The delegates will vote on the subject at the November 11th session."

Featured speakers at the 1970 Township Officials convention will include Lieutenant Governor Paul Simon, who will appear on Monday, Nov. 9, and State Senator W. Russell Arrington, president pro tem of the Illinois Senate, who will appear on Nov. 10. William K. Sanford, executive director of the Association of Towns of the State of New York, and president of the National Association of Towns and Townships, will report on national activity. The keynote address will be delivered by Attorney Warren C. Behr of Waukegan, who is president of the Town Clerk division of the state association. A discussion of state legislation will be conducted by State Representative Don A. Moore of Midlothian, Ill., and John J. Nimrod, supervisor of Niles Township, will present a report on the constitutional convention.

Nimrod's report will be followed by a vote by delegates whether or not to approve the township section in the new proposed state constitution.

Mother's Club Sponsoring Ice Cream Social

St. Peter's Mother's Club is sponsoring an Ice Cream Social to be held at St. Peter's School Tuesday evening, Nov. 10, from 5:30 to 8:30 p.m.

The cost per person will be 40 cents and this includes dessert, beverage and ice cream. All proceeds from this party will benefit St. Peter's School. Mrs. William Barr is chairman.

MENTAL HEALTH SUBJECT FOR CHURCH MEETING

Wednesday, Nov. 11, 8 p.m., the Ladies Guild of St. Stephen Lutheran Church, the Church on the Hill, Route 59 and Hillside Ave., Antioch, will have their monthly meeting.

Mrs. Dorothy Morgan will give Devotions and program will consist of talk on Mental Health, given by Miss Eleanor Byrd.

Hostesses for the evening are Mrs. Eunice Mueller, Mrs. Sandra Bailey, Mrs. Eleanor Walsh, Mrs. Sue Wimberly and Mrs. Nancy Rentner.

Women of the church and friends are invited to attend this and future meetings of the Guild. Pastor Philip O. Laurin extends an invitation to all to attend worship services on Sunday mornings at 9:30 a.m.

Rainbow Girls Meeting Is Set

The regular meeting of the Antioch Order of Rainbow for Girls will be held Monday, Nov. 9, at 7 p.m. at the Masonic Temple. Sponsors Night will be observed as well as the anniversary of Antioch Assembly.

During the 4-day convention, work sessions will be conducted by the six divisions of township officials, including auditors, assessors, road commissioners, supervisors, clerks, and tax collectors. Special sessions will also be held for township attorneys and for township social workers. Leaders of these sessions include Charles Anderson, Morton Grove; Martin C. Melahn, Dundee; Donald Jones, Elwood; Andrew Meyer, Breese; Warren Behr, Waukegan; and Dean Sweet, Springfield.

The steering committee for the convention includes Joe W. Burgett, Vermont, president of the association; Leo A. Haas, Bloomington, first vice president; Everett B. Sharp, Rockton, second vice president; William Jacobs, South Holland, convention parliamentarian; and Troy A. Kost, Astoria, secretary.

Fun Fair, Bazaar Planned

Plans are in the making for St. Peter's Mothers Club Fun Fair and Christmas Bazaar. Judy Eckert, chairman for the event reports that much progress and much work is in motion for the event.

The ladies from St. Peter's and elsewhere are busy making decorations for the event to be held in the St. Peter's Social Center on Dec. 6.

Jane Tapia, co-chairman of the Fun Fair Christmas Bazaar, and Shirley Berkiel have a beautiful assortment of hand decorated styrofoam balls, hand decorated satin wrapped balls, table decorations, wreath, trees, angels, with something for every home available.

Joan Bellucci and Sr. Judith Ann are chairmen for the hand-made goods booth. These ladies will be in contact with the mothers for their donations and help. Any hand-made item will be welcomed. We are especially grateful to Lee Szezybar, who is very busy crocheting gifts for the booths.

Also a Christmas cookie, fudge, candy booth will be presented. JoAnn Digenske is chairman of this booth. She will appreciate your response when called upon.

Judy Eckert announced there will be "Carnival Games" for young and old. She hopes that the specialty booths will delight all those attending. Refreshments will be offered and all are invited.

Coin Club Sets Convention Date

The first annual convention of the Indian Hill Coin Club will be held on Nov. 8 in the American Legion Hall, Grand Avenue, Lake Villa, from 11 a.m. to 6 p.m.

Many coin dealers will have rare numismatic material to buy and sell. Coin enthusiasts will have the opportunity to place their exhibits on display. Admission is free.

A Baby Daughter

Mr. and Mrs. Terry Cooper are the proud parents of a baby girl born Oct. 20. Mrs. Cooper is the former Jane Anderson.

The new addition is Amy Lee and weighed in at 8 pounds 6 ounces. The Coopers have one other daughter. The maternal grandparents are Mr. and Mrs. Donald Anderson and the paternal grandparents are Mr. and Mrs. Glen Cooper of Decatur.

CHILD'S VISION

Your child could have a vision problem and not know it, says the National Society for the Prevention of Blindness. Since very young children have no basis for comparison, even if their vision is blurred or distorted in some way, they accept it as normal. Some signs of eye trouble in children are excessive rubbing of the eyes, unusual blinking or irritation at doing close work, squinting and frowning excessively, and inflammation and watering of the eyes. If any of these are present in your youngster, the Society advises you to take him for a professional eye examination.

HOME ACCIDENTS

Some of the most common household items can be responsible for eye accidents, says the National Society for the Prevention of Blindness. Spray cleaners, disinfectants, pesticides—all contain potential eye hazards. The Society urges their careful use.

Horan Is Legion Historian

John L. Horan, resident of Antioch since 1903 and one who has taken an interest in all of the village activities, a World War I veteran, serving with the Fourteenth Training Battalion as an Infantry drill sergeant, spending nine months at Camp Gordon, Georgia, received an appointment by recommendation of the executive board of the Illinois American Legion while in session at Peoria, to be Historian for the Department of Illinois for 1971.

Horan has been a member of the Illinois American Legion Historians' Association for the past ten years, three years he served as secretary and for 1970 he was the assistant to the department

Horan

Historian, Alfred C. Seeberg, Chicago, who held the appointment for 24 years.

A historian for a Legion post is very important and in Illinois each Legion post has one appointed, there being in the state 1059 Legion Posts and each having a historian.

Horan has been a member of Antioch Legion Post 748 for the past 45 years, joining as a charter member in 1925. He served as post commander in 1929 and again in 1950 and at present is a "Life Member" of the Post.

Horan is married and his wife Carolyn as well is active with the Legion Auxiliary and also with the 8 & 40. They have two sons and a daughter, six grandsons and one granddaughter, and they live at 407 Orchard St., Antioch.

George R. Panuce, Chicago, has been selected to be assistant to Historian Horan.

Choral Concert Scheduled By CLC

The College of Lake County Community Chorus and the College of Lake County Singers will present a choral concert on Sunday evening, Nov. 22, at 8 p.m. at the First United Methodist Church, Clayton and Utica Streets in Waukegan. The concert is open to the public without charge.

Under the direction of Warren G. Simpkins, instructor of music at CLC, the choral groups will sing "Lord of the Earth and Sky," a contemporary cantata composed by Sven Lekberg, and "Opus for Contemporary Decision," a "now" generation cantata composed by Ted Nichols. Composer Sven Lekberg, Chairman Emeritus of the Music Department, Simpson College, will attend the concert at the invitation of the College of Lake

County.

Soloists will be Mrs. Jeannine Naden, Waukegan, soprano, and Richard Pearson, Waukegan, bass-baritone. Narrator for the cantata will be Charles Stransky of Waukegan and the accompanist is Mrs. June Bessert of Round Lake. A brass and woodwind ensemble will accompany "Opus for Contemporary Decision."

Ski Show Announced

Angie Maras, a member of the National Ski Patrol, announces the Ski Show for 1970 will be held at Arlington Park in Arlington Heights from Thursday, Nov. 5 through Sunday, Nov. 8.

Tickets are available at the Antioch News office for the show, which will benefit the National Ski Patrol.

Speedway Trophy Dance Scheduled For Nov. 7

The annual Waukegan Speedway Trophy Dance will wrap up the 1970 season activities Saturday night, Nov. 7. This year the dance will be held at the Angels, one mile north of Antioch, Illinois, on Highway 83.

This year's dance will be the first to include a point fund distribution and Ray Young of Chicago will pick up the biggest check for being the late model track champion. The top 20 late model drivers will share in the fund. Young's bonus check for 1970 will be \$1000.00.

The top 20 drivers in both the late model and the hobby stock divisions will each receive trophies. There will also be special awards in each division for "Best Looking Car," "Most Improved Driver," "Rookie of the Year," "Hard Luck Driver," plus several special awards.

Again this year Promoter Gordon Sill has lined up a number of fine door prizes, along with a few gag gifts which will be given out after the driver awards. Dancing will continue into the early hours of the morning with live music.

Tickets for the dance will be available at the door. The general public is invited to the dance.

The 1970 season at the Waukegan Speedway was the second year of racing on the new asphalt surface. The year was marked by higher speeds, an excellent safety record, outstanding performances by several new faces, increased Sunday night attendance and a very wet September.

Chicago's Ray Young again spent his Saturday and Sunday nights at the Waukegan oval, winning his second consecutive championship here. Ray won the season's first feature, which was run Sunday night, April 12 in near freezing temperatures, and picked up 18 more before the season ended on Sunday afternoon, September 27.

In the process Young established a new late model consecutive feature win streak by triumphing in six straight main events between July 12 and Aug. 8. While Young dominated the feature win circle, there were nine other feature winners in the late model class. This group includes Jim Cossman of Waukegan, Bob May of Gurnee, Vern Browne of Wauconda, Bob Anzinger of McHenry, Lee Schuler of Lockport, Bob Roper of Hammond, Indiana, Tom Jones of Northbrook, Carl Major of Chicago and Ray Freeman of Crete.

Of the 10 late model feature winners, six of the winners (May, Browne, Schuler, Jones, Major

and Freeman) did not have a Waukegan Speedway main event to their credit before this season. Anzinger had previously won one feature, but that was on the city track in 1968.

Speeds went up this year at Waukegan for a number of reasons, with the main factor probably being the larger tires allowed on the 1970 entries. The 1971 tire restrictions have not been announced to date. Young lowered his 1969 mark of 14.62 to 14.21 by midseason, but on Sept. 19 Bob May recorded a sizzling 14.19 lap for the current record. This mark could well stand for some time if tire restrictions are tightened.

Once again in 1970 the safety rules at the Speedway paid off as no drivers received serious injury, although there were numerous serious appearing single and multi-car crashes. Two top late model drivers did receive injuries on Saturday night, Aug. 1, in separate accidents. Bob Anzinger suffered a slight concussion after a trophy dash spill and he missed the next night's races before his car could be repaired.

Bob Delaney of Roselle was not so lucky as he demolished his Ford in the first lap of the feature that same night. Delaney hit the first turn wall nearly head on and he was held in the hospital for two nights due to a possible spleen injury and body bruises. Delaney missed three nights of action as he hurriedly renovated his 1969 entry to complete the year. In both cases the nights off probably lowered the driver's final point fund position as Anzinger just missed 4th spot and Delaney could have been 7th.

Preliminary figures indicate the total late model payoff for the 1970 season was up over 15% as compared to the total for 1969. Increased Sunday attendance contributed to the gain offsetting bad weather which limited the crowds on the opening weekend, Memorial Day weekend and Labor Day weekend. Also the Fourth of July crowd was off due to unseasonably cool weather with some rain mixed in.

One of the major accomplishments by the Speedway crew this year was a quick, efficient program with the minimum of delays between events or due to accidents. With the cooperation of the officials and drivers, the average Speedway closing time for the entire year was 10:21. The starting time for the first race was 8 p.m. and you could usually set your watch by it!

Promoter Gordon Sill believes

the people come to the racetrack to see racing, not an intermission each time the red flag comes out or between races. And Sill gave the fans plenty of racing in 1970 with some 475 events, including time trials, being run.

The regular program at Waukegan consisted of late model and hobby stock car races with separate feature events for both divisions. In addition there were modified stock car races, midwest races, powder puff derbies, forwards - backwards races, backwards races, demolition derbies, street car races and "Tell Your Wife Where To Go" races.

Ray Young had little trouble in winning his second late model title as he took over the point lead for good after the fourth night of racing and was never seriously challenged for top spot overall after May. Young never missed a race date at Waukegan in 1970 to become one of only two drivers with perfect attendance records.

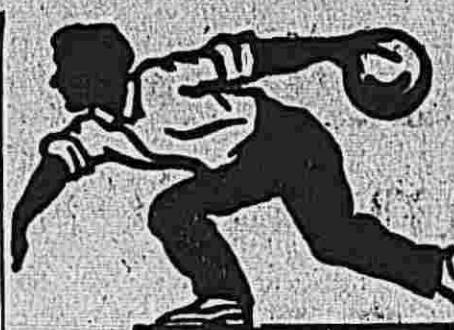

Young drove a newly built 1966 Mercury Cyclone throughout the season. He was involved in one accident early in the year which seriously damaged his car at Waukegan, but he was back to his winning ways in short order. Ray won a total of 48 races this year at Waukegan.

Ray is 38 years old and has been winning races and track championships for the past 16 years. Besides being the current Waukegan Speedway champion, he currently is the top driver at the Mazon Speedbowl and he is a past champion at Raceway Park in Blue Island and Illiana Speedway.

Second place in this year's standings went to the other driver with a perfect attendance record, Jim Cossman of Waukegan. In fact, Jim can't remember when was the last time he missed a late model race at the Waukegan track. This was Jim's ninth year of racing and he has four championships, two seconds and a third in those years.

Known as "Mr. Consistency" this year, Jim never finished worse than 10th in a main event, starting them all and finishing each one this season. He had one clean sweep to his credit this season and a total of 16 wins. Cossman is 36 years old and he expects 1971 to be his best yet on asphalt as he has a new, lighter car almost completed.

Third place went to third year driver Bob May. May won 14 races this campaign, including his first feature win which came on September 19th, the same

night he shattered the one lap qualifying record. Bob set fast time on 10 occasions and took the runner-up spot in the feature eight times.

The popular May is 28 years old and he received the "Most Improved Driver" award last season after taking two rollover rides in his rookie season.

Vern Browne gained fourth spot in the final nine laps of the season championship race this year by changing a tire while his nearest competitor was disabled after the two crashed. Browne drove a 1969 Dodge Charger in this year's events winning three features and ten preliminary races at Waukegan.

Browne, at 27 years, is in just his second year of stock car racing after picking up six years of motorcycle racing experience. He finished 14th in points last year and was voted "Rookie of the Year."

Rounding out the top five is Bob Anzinger. Although Bob just missed fourth spot, by three points, he still recorded his best season in the nine he has been active in racing. At 26 years of age, Bob still has a bright career in front of him.

The remainder of the top ten late models in order are Lee Schuler, Bob Roper, Tom Jones, Bob Delaney, and Scott Moore of Mundelein.

The 1970 hobby stock had its fourth champion as many years as rookie Tom Oliver of Zion edged out defending champion Tom Reuss of Wildwood in the final races of the year. Oliver won eight features, while Reuss grabbed six. Seventeen other drivers scored one or more feature wins in this slam-bang classic.

Tentative plans call for the Waukegan Track to open its 1971 season on Saturday night, April 10, with a Saturday-Sunday schedule throughout the Spring and Summer.

Make certain your car is in top mechanical condition for the coming winter months. If you plan a trip into a cold weather climate this fall, allow additional travel time for different road conditions you'll encounter.

Record Breaking Bowling

The Antioch Major League, bowling at the Antioch Lanes saw some fine bowling Friday night, Oct. 23, when Don Burza rolled games of 274-213-215 for the season's first 702 series. Don bowling with the Hunters Country Club team also set the high game team house record. The first game with 1130 breaking a record held by Volo Bait since 1960. The game was put together with Don Burza 274, Gino Picchetti 192, Jeff Wegner 269, Don Wirth 213, Larry Budrick 182 the team went on to a three game total of 3029 and a two game win over their opponents. Jeff Wegner also had 650 for his three game total.

This year's Antioch Majors seems to be one of the best bowling leagues to be formed in many years with 200 games and 600 series being thrown everytime the loop meets. There are 30 bowlers averaging over 180 and seven teams averaging over 900. That's some kind of bowling.

The public is invited to watch the teams compete every Friday night at 9 p.m. at Antioch Bowling Lanes.

THE ANTIOCH NEWS-6

An Antioch back scampers for a long gainer.

Sequoits Still Tie For First

By the Twelfth Man

Saturday afternoon we proved that we deserved at least a share of the conference title when we beat a sometimes tough Warren team 21-6. Warren has a poor record but can be tough as they showed the week before when they beat Grant 34-0.

On the first play of the game Dan Walsh intercepted a Warren pass. That was a sign of more things to come from our defense. In the first half Warren ran only two plays from inside the 50-yard line.

On the third play of the second quarter Ken "Killer" Sterbenz took the ball over from the one on the first of his 3 touchdowns. The drive started on our 47 yard line with the big play being a 20 yard run by Eric Claeson. Jim Revell added the kick and it was 7-0.

Sterbenz got his second touchdown with 4:52 left in the half when he took a pitch from Chip Gross and went 10 yards into the end zone. The drive was good for 36 yards in five plays. Claeson pitched up 26 of those yards in

three carries. Revell added the kick and it was 14-0.

On the first series of the second half we drove 86 yards in nine plays for the score. It started when Gross ran 21 yards on a broken play. On the next play Claeson went 25 yards to Warren's 44 yard line. Two more carries by Gross, one by Claeson, and one by Sterbenz brought the ball to Warren's 11 where Sterbenz took it in for his third score. Revell added the kick and it was 21-0.

The next time we had the ball we had a third and 24 yards to go situation. Gross dropped back to pass and fumbled. Warren scooped up the ball and ran 29 yards for their only score.

Both teams gained 19 yards through the air but the big story was our ground game. Behind our all conference line junior Ken Sterbenz had 119 yards in 23 carries. Claeson had 100 in 19 carries, and Gross added 51 yards in 7 carries. In total yardage we outgained them 298 yards to 79 yards.

Next week we finish off the season with last place Grant. The

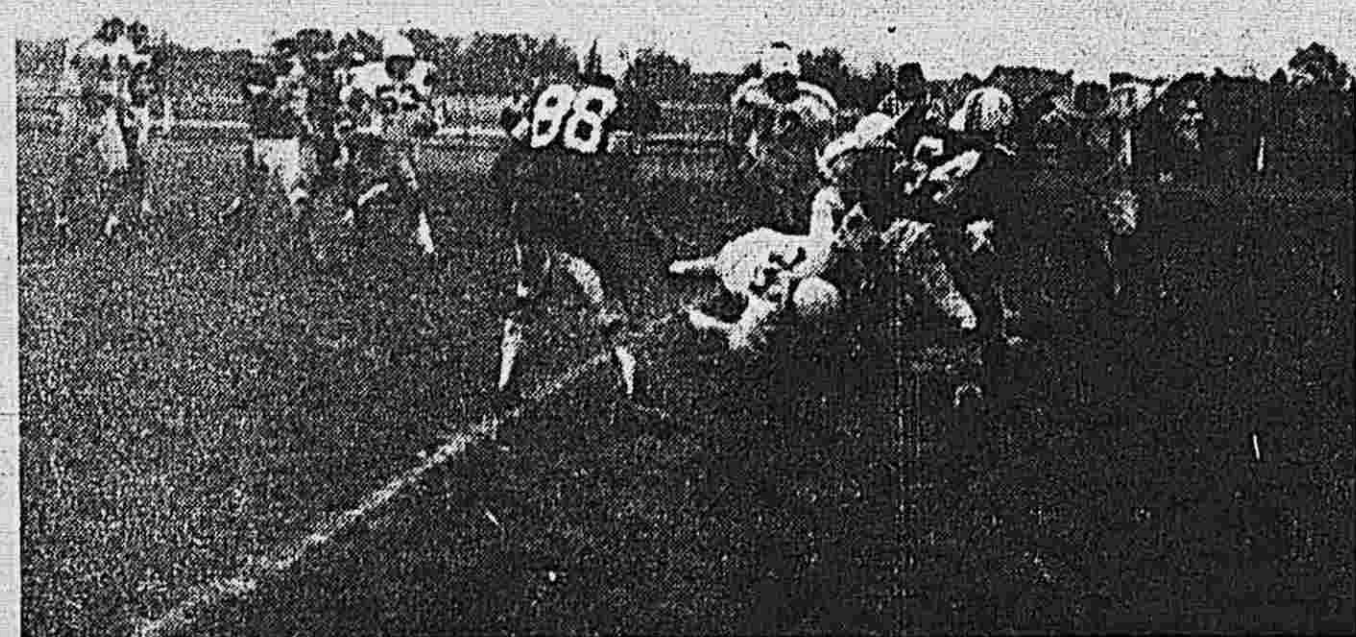

game could be exciting however, if Grant plays like it did when it won its only game last year. Last year they beat first place Lake Forest to knock them into a first place tie.

REAL INFLATION?

The Thorp, Wis., Courier tells us: "We humans have been so preoccupied with watching the price of everything else go up that we have failed to notice that the price of US has gone up, too. Just 30 years ago chemicals in the human body had a commercial value of about 98 cents. Today, experts say, those chemicals are worth about \$900. Now no matter how modest he may be at last proud of something like this. Any body that contains chemicals which have increased in value by 800 per cent can't be all bad."

The boys brought a donkey into the classroom one day, just for a joke.

"I see," said the teacher, "there is one more of you this morning."

The going was a little rough on this plunge through the line in the game which saw Antioch whip Warren by a 21 to 6 count.

CORRECTIVE GLASSES

If you wear glasses of any kind, for any reason, whether for corrective purposes or just to keep the sun out of your eyes, they should be constructed of shatter-resistant glass or plastic. If they aren't, warns the National Society for the Prevention of Blindness, you are running the risk of severe eye injury—even blindness. Eye accidents can happen to anyone at any time, reminds the Society, and it doesn't make sense to take chances.

Antioch Suffers Bad Breaks

At half time, it seemed as though Antioch was going to treat the fans to a victory. The half time score stood at: Antioch 6, Warren 0.

Warren had penetrated no deeper than the Antioch 29 yard line. Here a pass interception by Charlie Chapman put a stop to their drive. On another occasion a fumble recovery stopped a drive on the 38 yard line.

The Antioch Sequoit Sophomore score followed the fumble recovery. Running against a 6-2 defense, which is rated very strong in the Sophomore league, our offense moved down to the 18 yard line where Charlie Chapman carried over the goal line by skirting the right end. The extra point failed.

After kicking off to Warren, the second half, the Antioch defense held on the 21 yard line. Warren hammered at the center of our line which gave up yardage grudgingly. The longest run from scrimmage was 9 yards. Two pass attempts failed. The bad break came when on the first play (after the turn over) Antioch tried an end run. The ball was fumbled and the fumble was picked up by a Warren lineman and carried over the goal for a T.D.

Another fumble on our own 30 yard line resulted in a second touchdown. After the ensuing kick off, the ball was turned over several times. Andy Feldman made a brilliant interception after which he fumbled to give the ball back to Warren. Following this Warren scored from the 18 yard line in two plays. The extra point failed, making the score 12 to 6. This ended the scoring.

The Antioch defense played a brilliant game. Glen Amundsen, who was playing a new position at linebacker, played very well. Doug Banwart played well at middle linebacker leading the team in tackles. The four interior linemen, Steve Gibson, Tim

The Chain O' Lakes Mixed League held their annual "Halloween Costume Night" to help celebrate Halloween in their own unusual way. Every member of the league came in costume. Prizes were given for the best costumes. Everyone came so well "costumed" that the judges had a difficult time choosing the Best.

While awaiting the judges' decision, bowling started, costumes and all, with some very good pin counts recorded, some of the higher scoring bowlers are now considering wearing costumes every week.

The announcement of the winners was made by President Bill "Bunny Tail" Garraughty.

There were 11 prizes given out. Best Couples prize went to Dick and Shirley Gleich. The five men who won costume prizes were: 1 George Schmidt, 2 Mike Haviland, 3 Bruce Bartosz, 4 Dick Fisher, 5 Phil Vos.

The five best women's costume awards went to: 1 Willie Schmidt, 2 Chris Arendt, 3 Mitzi Haviland, 4 Jackie Vos, and 5 Betty Benning.

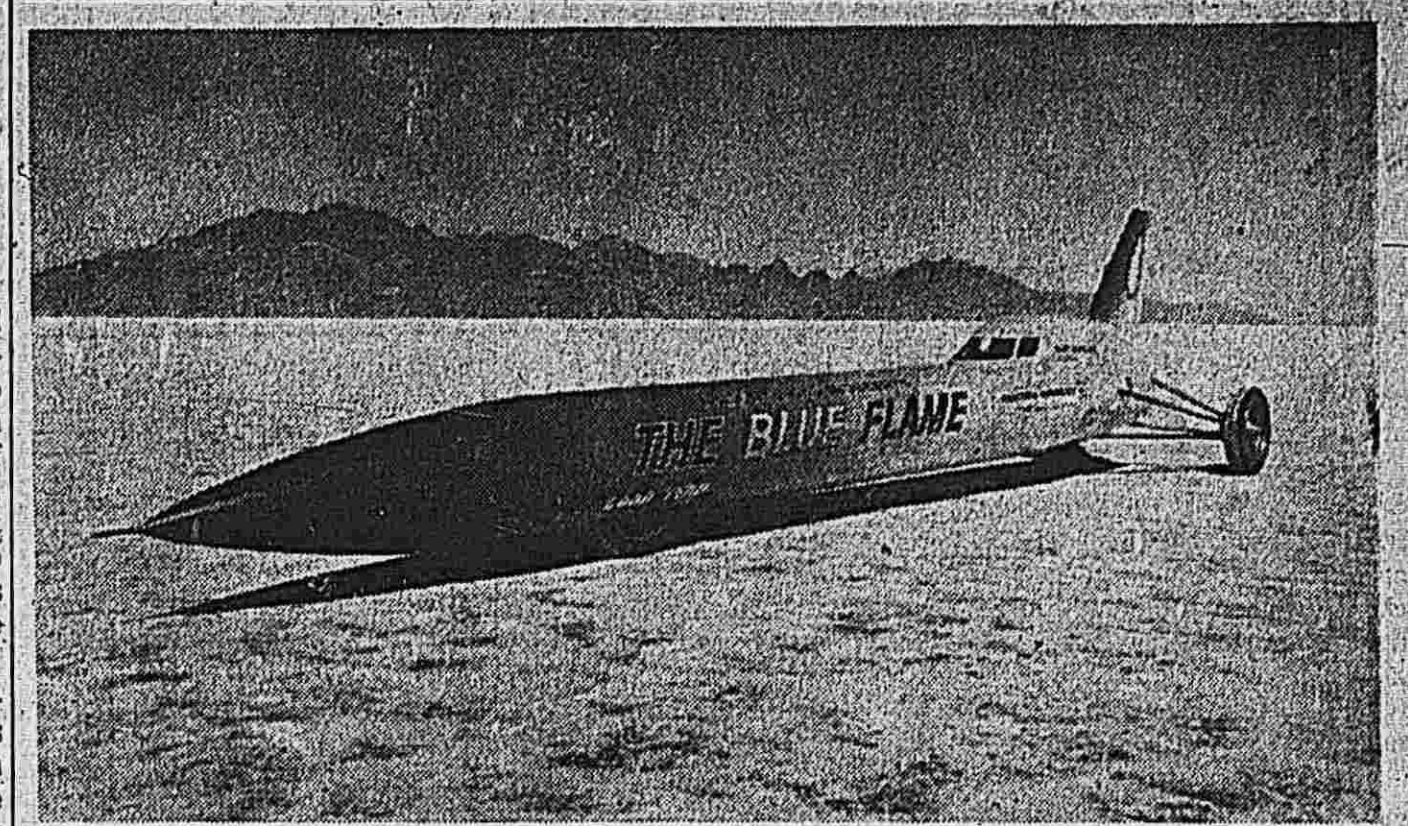

Congratulations to all on their good ideas.

We would like to thank the judges for their time spent with us selecting the winners. It was a fun evening for the members of the league. Supreme Builders bought drinks for the league to end up the evening. Everyone says "Thanks", Supreme.

For night driving be sure all front and rear lights are clean and operating at top efficiency. Replace any burned out bulbs immediately and be certain your headlights are aimed correctly.

Staples, Scott LaChance, and Ed Oilschlager stopped the plays through the middle well. Dave Pironen and Fred Popp played the outside. Charlie Chapman and Steve Vasquez handled the secondary. Warren was a highly regarded offensive team which we held most of the day. We had some bad breaks which resulted in the 12-6 final score.

A new world land speed record was set Oct. 23 at Bonneville, Utah, by the Blue Flame race car driven by Gary Gabelich. The natural gas powered rocket racer streaked across the salt flats at 622.407 miles an hour, breaking the previous record of 600.601 set by Craig Breedlove in 1965. The vehicle was sponsored by the natural gas industry of which Northern Illinois Gas Co. was one of the original and principal sponsors.

Tues. Night Golfers

The Tuesday Night Golf League has scheduled its banquet for Saturday, Nov. 14, at Lorenz's Smart Country House.

As in the past, the ladies are cordially invited.

Social hour and hors d'oeuvres start at 6:30 p.m. and dinner will be served at 7:30 p.m. The

awarding of trophies will be followed by dancing.

Each team captain please check with his team members as to their attending the banquet. The banquet committee will check with each captain on Nov. 9th or 10th.

The final tally of the golf season found State Bank A as the league winner. Members of the team are Jim Bloss, Fred Bohzein, Albert Bucar, Jim Leinhardt, and Pres Reckers.

The runner-up team was Wilton's T.V., and its members are Tom Haley, Roger Leaf, Bill Wilton and Roy Witek.

Third place went to the 1st National Bank and its members are Jay Dziki, Gordon Cornelius, Wally Daniels, John Lear, and Fred Walpole.

The golfer of the year award goes to Jack Fields, a member of the State Bank I team. On six different league evenings, Jack had the low gross score and also recorded best score in league play, a score of 36 on June 30th.
